

LOFTIN'S FURNITURE

SPECIAL

A few of the many to be found in my great and appealing collection:

Glacier Sanitary

A seamless Porcelain Lined, well insulated Refrigerator.

An Ice Preserver

and high grade in every particular. It is less expensive to buy and operate a "Glacier Sanitary" Refrigerator than it is to try to make an old unsanitary one serve you awhile longer. I show a large assortment.

The "New Process"

Blue flame, short chimney, cotton wick oil cook stove. It is one of the very few perfect oil stoves. The body is larger, taller and stronger than any other.

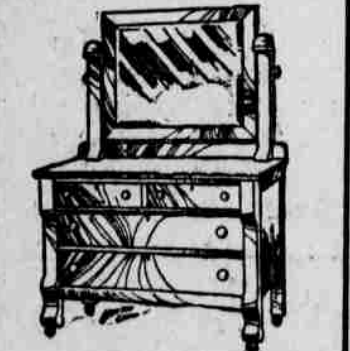

Let our expert demonstrate and tell you of its economy and efficiency.

Comfort, Durability, Convenience

My Baby Carts are the talk of the town.

Read and steel Collapsible Carts that will certainly appeal to mothers and fathers with an "eye" for comfort and economy.

Dressers, Dressers, Dressers!

There is hardly a limit to the number, the patterns and their quality. It will not cost you anything, but will be worth lots to you, to see every one of them.

At this store you make your purchases without being bored with too much so-called Salesmanship. Service is abundance is rendered, though.

A high-toned and convenient divided payment plan, if you care to take advantage of it.

BOY SCOUTS TO CELEBRATE IN ALL-DAY HIKE

Scout Executive Bachman Plans Interesting Outing for Youngsters.

Chattanooga Boy Scouts will celebrate July 4 with an all-day hike. Scout Executive Bachman has sent out orders to all local troops calling an assembly of all the city scouts at the chamber of commerce building Thursday morning at 8 o'clock. Each scout to come prepared with lunch and one dim for car fare for the all-day hike to Suck Creek gulch. The scouts will take the \$10 signal mountain car to Glendale, from there they will trail up Suck Creek, and then hit the trail up Suck Creek gulch. An excellent outing has been planned, and about 150 scouts are expected to participate.

Mr. Bachman has just received an order from the headquarters that all scouts aid in locating black walnut trees, which are greatly needed at the present time in the manufacture of rifle stocks and propellers for Uncle Sam's army and air fleet. Orders are being sent to all scoutmasters to have the different troops hike through the country seeking this information. The government desires the location of such trees, the names of the owners, the class of the trees and the price at which they can be purchased.

Another appeal has been made to the scouts during the last few days to assist the government in its great work. Tissue paper has not only more than doubled in price, but materials used in its manufacture have become so scarce that a serious shortage is threatened. The raw materials used are principally burlap bagging and manila rope. Scouts are requested to gather together all materials of this order, and the Butterick Publishing company has recently advanced a scheme by which the scouts may make a little pocket money in doing this. The company has made the boys an offer of 5 cents a pound for all the discarded rope and burlap they can collect.

"GARABED" IS DETERMINED TO TEST HIS NEW SYSTEM

Boston, July 3.—Undismayed by the unfavorable report yesterday of the committee of five scientists who tested his invention on behalf of the department of the interior, Garabed T. K. Giragosian, who claims to have discovered a means of utilizing an unlimited source of energy, left for Washington last night. He was determined, he said, to explain and demonstrate his device to government scientists, the military committee of congress or congress itself. If he failed to secure a hearing in Washington, Mr. Giragosian said he would prove his invention to be all that he claimed by a free demonstration on Boston Common.

INDIANAPOLIS PAPERS INCREASE PRICES FOR SUBSCRIPTIONS

Minneapolis, July 2.—Three Minneapolis papers—the Journal, the Evening Tribune and Daily News—yesterday increased their price from 1 to 2 cents a copy. The Minneapolis Morning Tribune recently increased its price from 1 to 2 cents. The Sunday issues of the Journal and Tribune will be 6 cents instead of 5 cents.

For Skin Disease IT Is Wonderful

H. J. Bowers, of Tracy City, Tennessee, Completely Healed by D. D. D.

D. D. D. Company, Chicago, Ill.

Gentlemen—While at a sanitarium in Kansas City about a year ago, I became affected with what I believe to have been one of the most aggravated cases of eczema any one ever experienced. I went to my attending physician and told him my trouble was setting me almost wild, and that I must have relief. He recommended three O's, and you have no idea how much relief I got even from the first application. I have a friend, an old gentleman, to whom I recommended your medicine, who stated to me that he had had eczema in such a violent form that he had not enjoyed a good night's sleep in twenty years and the first night that he used three O's he retired early and slept soundly all night. He is profuse in his praise. I am unable to express myself in as fitting terms as I would like, and if you wish a statement from me to use as a testimonial, if you will prepare one, making it as strong as you like, I will be glad to sign it.

Yours very truly,

H. J. BOWERS,

Cashier First National Bank, Tracy City, Tenn.

D. D. D., the liquid wash, has become a household word. It has proved itself a remarkable remedy. If you are a sufferer from skin diseases, this remedy will not disappoint you. It has stood the test and today is the master preparation for all skin diseases.

Scoreboard Reflections

The Yankees are in first place again. They were piloted to grace by Ray Caldwell.

Happy Felsch has quit the White Sox. If Rowland's Sox keep on leaving him the shipyard will hold the world's championship.

To celebrate Felsch's departure the Sox dropped two games to the Browns, who are coming to life since Jimmy Burns became manager.

Wild chucks by Gonzales and Pauleta assisted the Cubs in their quest for the National League pennant and buried the Cards in the bottom of the deck.

The Braves and Dodgers tried out twilight baseball, but the Dodgers could not play after 6 o'clock and Boston won.

Pat Regan gave the Brooklynites but six hits. Twilight baseball is a great thing for a pitcher with a fast one.

Coombs allowed the Tigers ten hits, but kept them scattered and won the second game of the series against Detroit.

The Pirates and Reds played an exhibition game at Columbus, which Pittsburgh won. Southworth, Pirate recruit, was the hitting star.

PETE HERMAN AND FRANKIE BURNS TO FIGHT

(International News Service.) New York, July 2.—Pete Herman, bantamweight champion, arrived here today to finish training for his eight round bout with Frankie Burns at Jersey City tomorrow night.

HAPPY FELSCH JUMPS CHICAGO FOR SEMI-PROFESSIONAL BALL

Chicago, July 2.—"Happy" Felsch, centerfielder with the Chicago Americans, is the latest player to desert the world's champions. After receiving his monthly pay check Felsch notified Manager Rowland that he had accepted a position in Milwaukee, his home, and planned to play semi-professional ball.

SHOWS TENNESSEE'S PART IN WAR TAX

Final Figures on Collections Made at Office Internal Revenue Collector Craig.

Final figures on the collections made at the office of Internal Revenue collector E. B. Craig in Nashville have been tabulated, and show that the total amount paid into the treasury department through Collector Craig's office by the people of Tennessee during the fiscal year ending June 30, 1918, was \$17,993,697.45, just falling short of the \$18,000,000 mark.

The previous record for yearly collections by the office of the collector for the Nashville division amounted to \$2,400,000, which was less than one-fifth of the total amount collected for the past year.

As is shown by the figures, the personal and corporation income taxes formed the major portion of this unprecedented amount of collections, while the general or miscellaneous taxes were a rather small item in comparison.

The total collections of income tax amounted to \$14,167,375.84, which is partially indicative of the financial prosperity in this state. The total collections for the month of June just past broke all records and amounted to \$1,182,445.85, or just about two and one-half times as much revenue collected in one month alone as the previous record-breaking amount of yearly collections, which totaled \$2,400,000.

LIEUT.-COL. ASKS TO LECTURE ON FLAG

Lieut.-Col. Milton B. Ochs, of the Fourth Tennessee regiment, will deliver an address tonight on "Our Flag" to the Pythians of Chattanooga at Keystone lodge castle hall on Walnut street at 8 o'clock. All members of the order are cordially invited to be present.

ERLANGER CARED FOR 2,000 CHARITY PATIENTS

Dr. H. Quigley Fletcher is chief of staff of Erlanger hospital. He was elected Monday at a meeting of the board of trustees to succeed Dr. H. L. Pancher. Dr. Fletcher graduated from Johns Hopkins university in 1908. He remained an intern in that organization for one year, then became house physician in the Union Protestant hospital in Baltimore. In 1912 he came to this city, where he has since remained.

At the trustees' meeting, reports showed that Erlanger hospital cared for 2,824 patients during the past year and of these 2,000 were charity patients.

STATE REVENUE COLLECTIONS LARGEST EVER RECORDED

Nashville, July 2.—E. B. Craig, internal revenue collector for Tennessee, yesterday announced that the collections for the month of June amounted to \$11,163,445.35. The most ever collected for an entire year before in the state was little more than \$8,000,000.

FOLLOWERS OF PASTOR RUSSELL REFUSED BAIL PENDING APPEAL

New York, July 2.—The federal court refused to add to bail, pending appeal, the four followers of "Pastor" Russell who were recently sentenced to twenty years' imprisonment for opposing the war policies of the government.

SALE OF COTTON MILLS AT MOBILE IS ANNOUNCED

Mobile, Ala., July 2.—The sale of the Barker cotton mills here to the Hamilton Carhart Cotton Mills, Inc., has been announced by Hamilton Carhart, president of the company, with offices and mills at Carhart and Anderson, S. C., and W. G. Henderson, who will be general manager of the mills here.

The purchase price was not made public, but is said to be about half a million dollars.

The mills here are used for the making of cotton toweling and sheeting, with a capacity of ninety bales per week. The character of the output will not be changed.
